

Why Use AMAZING AMARYLLIS As Your Next Fundraiser?

Easy to handle, store and transport to your customers.

Takes up very little room in your vehicle and storage areas. Not as cold sensitive as other Holiday plant fundraisers. (*Poinsettias*)

You CAN'T kill it.

Unlike other holiday flowers (*Poinsettias*) - NO WATER, NO SUNLIGHT, NO SOIL, NO FERTILIZER NEEDED. Put it inside, in temperatures above 50F and it starts growing. At room temperature it will start blooming in 4 to 6 weeks. (see our "blooming" video online)

Little space required for such a beautiful flower.

Low cost for an indoor Holiday Flower that lasts.

The Perfect Gift for home and office décor

Christmas gift, Great for Teachers, office desks, nursing homes, home plant décor, ship it to your loved one or friends.

You Can Recycle It

The Amazing Amaryllis can bloom again the following year with some easy steps. (See our "Bloom Again" video and instructions online)

It's Simply AMAZING!

Most flowers have already bloomed when received. The flower wilts and dies within the first week. The waxed Amaryllis bulb you get to enjoy the experience of watching grow and bloom multiple times over a 2 month period!
